Literacy	K-3 Literacy/ Reading teachers and those who support implementation	6/25/2015	Fundations: Building a Foundation for Literacy <i>Fundations</i> makes learning to read fun while laying the groundwork for life-long literacy. Though the program focuses on phonics, this session will also demonstrate effective integration into reading and writing. The program allows for the teaching of the foundational skills of the Kentucky Core Academic Standards and supports the reading standards, writing standards, and standards for language. Participants will learn the basics of how to implement <i>Fundations</i> in their classrooms: whole-group, small-group and Daily 5. In addition, participants will learn how to base their instruction around the 5 areas of critical reading and will leave the session with both tools and ideas to incorporate this program into your reading and writing classroom. <i>Presenter: Sarah Addison</i>	4	CCBOE Board Room	8:00 – 12:00	https://www.eventbrite.com/e/wilson-fundations-building-a-foundation-for-reading-and-writing-in-k-3-tickets-17070380969

Our Vision is to “Transform the educational environment to meet the ongoing demands of 21st Century learning so that all students are engaged in a high quality, equitable education and are prepared for community and global responsibilities.”

Math	Elementary Grades 3-6 Teachers, Curriculum Specialists and Coaches	6/29/2015	<p>Formative Assessment within the Math Workshop</p> <p>Every student needs differentiated instruction to meet his or her individual needs. We all know this is true, but how do you do that in a classroom of 25 students? By combining the principles of formative assessment within a math workshop structured classroom, students are able to show growth and master common core standards. This session provides a step-by-step guide of how to manage, monitor, and implement formative assessment within a workshop structured environment so that students and teachers become partners in learning.</p> <p><i>Presenter: Michelle Walden</i></p>	3	Christian County Board of Education Board Room	8:30 – 11:30	https://www.eventbrite.com/e/formative-assessment-within-math-workshop-tickets-17155368168
Math	K-6 teachers and those supporting implementation	6/30/2015	<p>Make and Take Math</p> <p>In this session teachers will create instructional materials that will align with Common Core standards. Teachers will leave with concrete and representational items to take back to the classroom to enhance instruction. Teachers will choose a break out session for K-1; 2-3; or 4-6 in order to best meet the needs of their classroom.</p> <p><i>Presenters: Michelle Walden, Jill Colley, Tiffany Gray</i></p>	3	MSU Hopkinsville Regional Campus Multipurpose Room	12:30 – 3:30	https://www.surveymonkey.com/s/MTMath2015
