Calling all CCPS 7th Graders!

Gateway Academy is excited to announce a new program that allows 8th grade scholars from Christian County Middle School and Hopkinsville Middle School an opportunity to attend Gateway Academy during the 2020-2021 school year. Scholars who apply and meet the requirements will be enrolled in Algebra 1 and a STEM rotation class.

Successful completion of the Algebra 1 class will allow the scholar to earn a high school credit towards graduation requirements. The STEM class will include hands-on projects in the areas of Science, Technology, Engineering, Mathematics, Robotics, Drones, 3D Printing, Live Streaming, Health Science, and Skilled Trades.

To qualify, a candidate will have completed Pre-Algebra during 7th grade with an 85% or better, OR be designated as GT in math, OR complete a math placement exam with 85% mastery.

Spots are limited to 30 per school so submit your application today!
