Introduction

Welcome

Thank you for filling the important role of substitute teacher in the Christian County Schools. We welcome you as an important instructional partner.

Substitute teaching is a challenging task. From frequent early morning calls, to spending your working day in new and different situations with very little time to prepare, your resourcefulness and organizational skills will be tested. Our community expects the best for the students, including a chance to work with caring and skilled adults, and you have been chosen as one of those individuals.

The purpose of this handbook is to acquaint you with policies and procedures of the Christian County Schools that govern and affect your employment as a substitute teacher and give you some basic information that will better allow you to serve the children in a skilled, professional manner.

This handbook is not intended to be, and should not be interpreted as, a contract or a source of any claim or expectation to employment as a substitute. It is not an all-encompassing document and may not cover every possible situation or unusual circumstance. If a conflict exists between information in this handbook and Board policy or administrative procedures, the policies and procedures govern.

Some policies may be associated with specific forms. It is the substitute employee's responsibility to refer to the actual policies and/or administrative procedures for further information.

Copies of specific documents are available at the Central Office and in the Principal's office. Employees and students who fail to comply with Board policies may be subject to disciplinary action. Policies and procedures also are available online via the District's web site or through this Internet address:

<http://policy.ksba.org/C11>

Substitutes are expected to be familiar with policies related to his/her job responsibilities.
01.5

School council policies, which are also available from the Principal, may also apply in some instances. **02.4241**

In this handbook, **bolded numerical codes** refer to the Board policy or administrative procedure that addresses a particular item. Substitute employees with questions should contact the school Principal or designee.

District Vision and Mission

The Christian County Board of Education’s vision is to transform the educational environment to meet the ongoing demands of the 21st Century learning so that all students are engaged in a high quality, equitable education and are prepared for community and global responsibilities. Our mission is to create an educational culture of continuous growth through shared partnerships and responsibilities

Future Policy Changes

Although every effort will be made to update the handbook on a timely basis, the District reserves the right, and has the sole discretion, to change any policies, procedures, benefits, and terms of employment without notice, consultation, or publication, except as may be required by contractual agreements and law. The District reserves the right, and has the sole discretion, to modify or change any portion of this handbook at any time.

Substitute List

Approved substitute teachers will be placed on a call list. When possible, substitutes are called to teach in fields for which they are most qualified.

Beginning with the 2018-2019 school year, Christian County Public Schools will implement the Absence Management (formerly AESOP) Substitute Management System. Each substitute will receive additional detailed information from the Personnel Office regarding the use of this system. Please contact the Personnel office at (270) 887-7002 if you have questions.

Length of Assignment

Substitutes are called to serve for a certain time frame and, when possible, the same substitute may be used when a teacher is to be absent on consecutive days.

Substitute teachers shall not work more than one-hundred- twenty-nine (129) service hours per month unless pre-approved by the Superintendent based on certification needed for longer term assignments.

A substitute is expected to follow the same hours of duty and fulfill the same assignments as the regular teacher. **03.4**

School Day

Substitutes are not allowed to leave their job assignments during duty hours without the express permission of the Principal/designee.

When possible, substitutes shall be on duty no later than 15 minutes before students are scheduled to arrive and shall remain in the building at least 15 minutes after the dismissal time for students. **03.1332**

Substitutes working on an extended assignment shall attend meetings called by the Superintendent, building Principals, Supervisors or their designees. Absence from staff meetings must have approval of the administrator who called the meeting. **03.1335**

Emergency Closings

In case of inclement weather or other emergencies that cause school to be called off or delayed, information will be broadcast on designated radio and TV stations. Substitutes are responsible for checking for these announcements. **06.21/08.33**

Lesson Plans

Substitute teachers shall follow daily lesson plans as outlined by the regular teacher and shall leave a written record of the work completed during their length of duty.

GENERAL INFORMATION

If no lesson plan has been left, the substitute shall confer with the Principal or a fellow teacher as to how to proceed. If the assignment is to span more than one (1) day, the substitute should request from the Principal the basic format s/he is required to follow in developing a plan for the second and subsequent days.

Classroom Management

Although the following general classroom management guidelines are not intended to be all-encompassing, substitutes are expected to follow them unless otherwise directed by the school administrator:

- Be prepared to make adjustments for any unusual changes in school schedules such as fire drills, altered class schedules or activities for the day. Each room in the school has emergency procedures posted or otherwise made available in case of fire, earthquake, tornado, lockdown or other potentially dangerous situations. Look for this information and review it prior to the beginning of the school day.
- It is the responsibility of the substitute teacher to check with the Principal/designee to determine if any of the day's assigned students have accommodations under an Individual Education Plan (IEP) or 504 plan and implement plan provided.
- Implement drill/evacuation plans.
- Display your name where it can easily be seen by all students. Take time before beginning lessons to tell the class briefly about yourself.
- Let the class know that you will try to follow the normal classroom routine, but also let them know that everyone does things somewhat differently.
- Ask the students questions: their names, classroom rules/procedures. The time spent getting oriented and becoming familiar with the class may make a difference later in the school day.
- Keep a positive attitude. Be positive in your remarks to students. When you are circulating around the room (a proven and effective management technique) comment to students on task.
- Try to be sensitive to differences.
- Any unusual requests from parents or students should be handled by the Principal/designee.
- Correct the day's work when possible. Organize any student papers and label them clearly.

GENERAL INFORMATION

- Write a complete, succinct review of the day's activities. Be sure to indicate portions of the lesson plan that may not have been completed. Mention individual students who may have been particularly helpful; list any problems that may have arisen.
- Leave the classroom in good order.
- Substitutes teachers shall not do the following:
 - ☒ Make/take personal phone calls during class time;
 - ☒ Use the internet for personal use; or
 - ☒ Engage in personal tasks such as reading, knitting, etc.

Evaluation of Substitutes

The Principal or regular teacher will complete a substitute evaluation form as required by Board policy and/or District or school procedure.

What if . . .
