

# **CALLING OUR COMMUNITY!**

## **Twenty-Third Community Reader Days**

**Wednesday, Thursday, and Friday November 5,6,7, 2014**

**Purpose:** Because a child's ability to read is influenced not only by home and school environments, but also by the larger community, **CRD** seeks to inspire all area children to become readers who are eager to learn.

**Action:** More than 275 community volunteers are needed to read in Christian County's 13 Pre-K, Head Start, Elementary schools. The total time is approximately one hour; the actual reading involves 20 - 25 minutes. Readers receive book texts prior to **CRD** and the actual books with their colorful illustrations are available at the schools. At the end of **CRD**, the Lit Council presents these books to each school's library.

**Benefits:** Our schools will sense the support of the entire community; our students and their teachers will appreciate your caring commitment; **YOUR** participation will influence other community leaders to read.

The **Christian County Literacy Council** gratefully acknowledges the support of the principals, teachers, media/library specialists, and parents of all students matriculating in Christian County. Special kudos to the community **Volunteer Readers** who make this annual event so very significant for our children!

**\* Please return your signed Volunteer Form by October 3.**  
**School assignments and book scripts will be mailed by October 24.**

Beverly Whitfield, Exec. Dir., Christian County Literacy Council, 270.962.7114 or 886.8308  
Heather Lancaster, Communications Director, CC Public Schools, fax 270.887.1267
