

Please remember that when you see a date that is not on a Monday, it is because we are closed for that holiday and it will be picked up one day later.

If there is a closure of city offices due to bad weather or if the employee cannot get to the curbside recycles due to an illness or other absences, the city will attempt to pick up the recycles as soon as possible. If they are not picked up on the day scheduled, please set it out the next scheduled date.

For Monday Pickup:

The date that is marked with a square is a Tuesday pick up following the city's holiday.

Thank you for your patience.

Jack Woods, Mayor
