The Accountability Details Report displays the data for indicators used by the accountability system to identify schools for comprehensive or targeted supports as required by Oregon's State Plan under the Every Student Succeeds Act (ESSA). The accountability system uses six indicators for elementary and middle schools. These indicators include English language arts (ELA) Achievement and Growth, Mathematics Achievement and Growth, Regular Attenders, and On Track to English language proficiency (ELP). For more information concerning indicators and their definitions and calculations, please refer to the [Report Card Policy and Technical Manual](#). Arrows (up ↑ or down ↓) indicate the change in the rating level of the indicator from the previous year.

- The English learner student group has different inclusion rules for particular indicators. The On Track to ELP, 9th Grade On-Track, and Regular Attenders indicators include current year English learners only. The ELA and Mathematics Achievement, Growth, and Assessment Participation indicators include current year English learners as well as monitored English learners (four years). The Graduation and Completer indicators include students who were English learners at any time during high school.
- The Underserved Race/Ethnicity student group consists of the following racial/ethnic groups: American Indian/Alaska Native, Black/African American, Hispanic/Latino, and Native Hawaiian/Pacific Islander.
- The Underserved Race/Ethnicity group is eligible to be identified for targeted improvement only when none of the four student groups that comprise it have sufficient data to be considered for identification.
