Stakeholders of Coffee County Schools, many roads in Coffee County remain closed due to the flooding from Hurricane Sally. There are no less than eight county paved roads and many more dirt roads that are impassible at the present time. Overnight tonight, the Pea River is expected to continue to rise, putting other county and state roads in jeopardy of becoming impassible. Due to these conditions, Coffee County Schools will remain closed on Friday, September 18. At the present time, we expect to re-open on Monday, September 21. There may be some roads still closed, but we will make adjustments to our bus routes. Parents/Guardians may be asked to have their children meet their bus at an alternate pick up until roads are repaired.

Thank you for your continued support of our schools. It is very much appreciated.

Sincerely,

Kevin Killingsworth  
Superintendent
