

Questions submitted for the Coffee Co. School Nutrition Milk Bid:

On page 23 XXIII there is a Piggybacking clause in which Atkinson and McIntosh county can join per terms of this bid. Is it confirmed that both of these counties will be on this bid? This means they have the option to piggyback. It does not confirm their participation.

If so, is the volume numbers reflected on the bid for all three counties? No, the volume is Coffee only. McIntosh responded with approximately 1100 pints per day. Atkinson did not report.

Lastly, if we have plastic and carton on both fat levels being requested do we submit pricing for both or just plastic? Please submit what is requested on the bid. You may submit pricing additional items available. Those additional items will not be considered as part of the decision for the bid award.
