Coffee County Career Academy

Building for the Future

**1303 South Peterson Avenue
Douglas, Georgia 31533**

Purpose

The purpose of the Coffee County Career Academy is to provide students the opportunity to

successfully learn, stay in school, develop marketable skills, graduate from high school, further their education, and become productive citizens.

CCCA will...

provide career-focused learning opportunities that prepare students for college, career and life.

FREQUENTLY ASKED QUESTIONS

- 1. What is the Coffee County Career Academy (CCCA)?** CCCA will be a second high school choice for Coffee County students grades 9-12. Opening in August 2013, the academy will be located at the Coffee Educational Center (old Coffee High School).
- 2. Why do we need programs like the Coffee County Career Academy?** The traditional approach to education, while optimal for some students, does not work as well for everyone. Some students may need an alternate route to the same destination: Destination Graduation for College, Career, and Life.
- 3. Who should attend CCCA?**
Students who:
 - desire the opportunity for acceleration and early graduation
 - are behind in credits and need to quicken the pace in order to graduate on time
 - would like to work independently and move at their own pace.
 - possess the motivation necessary to work in a self-paced atmosphere.
- 4. What will CCCA provide?**
 - smaller student body
 - blended instructional model
 - career pathways
 - dual enrollment
- 5. What is a blended instructional model?**
The blended setting combines online learning and the traditional classroom
- 6. Will breakfast and lunch be provided at CCCA?** Yes
- 7. Will transportation be provided?** Yes

- 8. Will students be able to drive?** Yes, student parking will be available with a permit.
- 9. Is there a cost?** No, there is no cost to the student.
- 10. Can CCCA students still play sports or be in the band?** The CCCA does not include sports and band.
- 11. What are graduation requirements?**
Graduation requirements are the same as Coffee High School.
- 12. Can I graduate early?** Once graduation requirements are met, students are allowed to graduate. The flexibility of the CCCA allows students to meet graduation requirements in less than 4 years.
- 13. Will my CCCA credits transfer back to high school if I decide to return at the end of the year?** Yes, credits will transfer to graduation requirements of your high school.

INSTRUCTIONAL DELIVERY

Edgenuity

Real engagement, real learning, real results

Edgenuity designs online or blended programs specific to the academic needs of students to insure every student can succeed.
