

## **Control Measures and Prevention Recommendations when Influenza or Influenza-like Illness is Circulating in Schools or Child Care Facilities**

- Remind faculty, staff, parents, and children to get vaccinated
- Limit group activities when possible
- Recommend children and staff:
  - Stay home when sick
  - Cover nose and mouth when coughing or sneezing
  - Wash hands with soap and water
  - Avoiding touching eyes, nose, and mouth
- Clean and disinfect surfaces and objects
  - See [CDC How to Clean and Disinfect Schools to Help Slow the Spread the Flu](#) (copy of document attached)
- Continue to report future outbreaks

### **Where can you find more information?**

Additional information can be found on the CDC's website - CDC.gov by searching for Influenza schools & childcare providers.
