

PREPARING EVERY CHILD TODAY FOR TOMORROW

CCSD Afterschool Program

July, 2018

Colleton County School District is pleased to offer an afterschool program (After Hour Kid Power) to students in PreK - 5th grade! The program will consist of a 38-week afterschool program that will operate Monday - Friday from dismissal until 6:00 p.m. Program dates are August 20, 2018 - May 31, 2019. The program will not operate on early dismissal days.

The program will provide enriching, creative activities that students can participate in to include an academic component, STEM activities, leadership development, technology integration, imaginative drawing and physical activity. Students will have fun while learning!

Highly qualified teachers and/or teacher assistants will facilitate the program at each location. A snack will be served to students daily and students will be given the opportunity to complete homework before participating in the engaging activities.

Parents who are interested in securing a spot for their child will need to pay a \$25.00 non-refundable registration fee for each child upon enrollment. The weekly fee is \$50.00 for the 1st child and \$40.00 per week for the 2nd child at the same location. All weeks will be full price except the two day week that will occur prior to the Thanksgiving Holiday. The fee for the two day week will be \$20.00. Weekly fees are due the Friday prior to the beginning of the week and are payable during the regular school day in the main office.

Transportation will not be provided. Parents will need to pick up their child/children or make pick up arrangements. It is very important to clearly state on the registration form the responsible adult who will be picking up your child/children. Dismissal will begin at 5:45 with all students picked up by 6:00 p.m.

Registration will begin at each elementary school location on July 31, 2018 and close on August 14, 2018. If you are interested in your child attending this afterschool program, please complete the registration form at your child's school. Initial registration will be held from July 31 through August 14, 2018.

All applicable school rules will apply during the afterschool program. In the event there are not sufficient numbers of students registered for the program, the district reserves the right to cancel the program at the respective school(s).

Thank you for your support as we Prepare Every Child Today for Tomorrow.
