School Bus Route Information 2018-19 School Year

Dear Parents/Guardians:

Due to technical difficulties with the routing software, we had to revise the dates for sharing the 2018-19 school bus route information. We apologize for the delay. Below are the revised dates:

Early Childhood Center and Elementary Schools

Wednesday, August 15, 2018

Middle and High School

Thursday, August 16, 2018

Also, all route information will be available during "Meet the Teacher/Back to School Night".

It can take up to 48 hours to assign a student to a bus route, and we want to ensure your child's information is processed in a timely manner. If you have not informed your school of your child's mode of transportation, please be sure to contact the school as soon as possible. Any further questions or concerns can be directed to the Office of Transportation at (843) 782-0036.
