Dear Parents:

The Forest Hills Elementary School family is sadly grieving the loss of one of our 5th grade students today. The student passed away this morning at 9:39 a.m.

We share this with the Forest Hills Elementary School family in the hope that your well wishes will help strengthen all involved. Please keep the student's family in your thoughts and prayers during this most difficult time.

Should your child experience any anxiety, sadness, or concern regarding this situation involving their schoolmate, please inform your child's teacher, our school counselor, or our school psychologist. We are here to support our students. Additional district staff will be on campus to provide counseling and support services.

Sincerely,

Matt Brantley
Principal
