

What to look for this year...

LCAP Goal 1: Increase Academic Proficiency & Support Student Learning

Ensure all students are college and career ready through the full implementation of the Common Core State Standards.

Textbook/Instructional Materials: California State Standards

- New English Language Arts/ English Language Development (ELA/ELD) curriculum
- New Intervention programs including iReady and Wonderworks

Intervention for All Students

- Continue support for the Intervention for All Model including resource teachers and Advisory programs
- Continue staff support such as Instructional Assistants for small group instruction.
- Continue kindergarten and first grade Instructional Assistant support

Professional Development

- Continue support for professional development to Deepen and Expand the Implementation of State Standards in Reading, Writing, Math, and Next Generation Science Standards (NGSS) and technology
- Provide training in Professional Learning Communities and Capturing Kids Hearts
- Continue to provide Curriculum & Instructional Support Coaches including Curriculum & Instructional Coaches in elementary and Assistant Principal at junior high school

Collaboration: Scheduled collaboration time for grade level/subject collaboration

- Continue biweekly collaborative day (minimum day)
- Continue support for continuous school improvement summer training and collaboration time

Technology

- Continue to upgrade hardware
- Continue to purchase Chromebooks/carts (almost 1:1 throughout district)
- Continue to support software programs
- Data management system for student achievement (eadms)
- Continue to support increased technology support

Early Childhood Education

- Continue to support district/YMCA collaborative and State preschools to support early literacy and academic success.

Beyond School Day Intervention Support

- Provide interventions beyond the school day including afterschool small group tutoring and summer school programs

Promote Reading/Early Literacy

- Promote reading: librarians at both sites, support Accelerated Reader (AR) Club, support intrinsic and extrinsic motivation programs
- Support English Language Development: provide English Learner (EL) parent and student support liaison and continue Reading Club with translator

Smaller Class Sizes

- Continue to support low class sizes

What to look for this year...

Goal 2: Increase Effective Communication/Connectedness and Promote a Positive Culture/Climate

Empower all parents to be actively engaged in their students' education and decision-making processes by providing timely information and encouraging parents to demonstrate their support for student learning and the importance of graduating "college and career ready".

Open Communication

- ▶ Continue to support, update and create a user friendly website

Community/Parent Involvement

- ▶ Continue to support and provide social events with staff, parents, and community

Promote Positive Relations

- ▶ Continue to support and provide professional development in Capturing Kids' Hearts
- ▶ Continue to support and provide positive behavior intervention support including restoring positive behavior intervention programs

Broad Course of Study

- ▶ Provide a broad course of study including electives in Visual And Performance Arts (VAPA), foreign language, career technical education, etc...

Languages of Appreciation

- ▶ Continue to support and provide district and site level awards, appreciation, recognition and team building activities

What to look for this year...
