As a convenience to parents, the Cumberland County School District now provides parents an easy way to add money to their student's food service account. Online payments can be made into food service accounts through the Skyward Family Access parent portal. We have contracted with RevTrak, a national credit card payment processor, to provide a secure site for making payments.

YOU CAN PAY FOR MULTIPLE STUDENTS AT ONCE!

Parents can make payments online while on their home or work computer, any time of the day. If their student's food service balance is low, it only takes a few minutes to add money to it using their Discover, VISA, or MasterCard credit or debit card. Payments are made through the student's Skyward Family Access account. A link to Family Access can be found on the school district's website at:
