Requesting to Go to _____ School.

Reason for Request: _____

I understand and agree to the following:

1. If this request is granted, the parent/guardian must take all necessary steps to withdraw the student from the current school and enroll the student into the new school.
2. The parent/guardian will provide transportation all the way to and from the out-of-zone school.
3. No transfers from one county school to another will be permitted during the school year with the exception of a change in residence.
4. Request may be denied based on available space, attendance, and/or behavior.
5. The parent/guardian must apply for the out-of-zone school **every year**. There is no guarantee there will be space available from one year to the next.
6. **Any student who is found to be attending an out-of-zone school without written approval from Central Services will be immediately withdrawn from the out-of-zone school and enrolled in that student's in-zone school.**
