

Cushing ISD Athletic Mission Statement

The mission of the Cushing ISD Athletic Department aligns with our school's mission. Our goal is to inspire athletes to reach their full potential.

One major objective is to prepare young men and women for lives of responsibility and leadership in a competitive and changing world.

Our highly qualified and outstanding coaching staff crafts meetings and practices with a mindset of achieving that objective. To this end, we profess and uphold certain values including integrity, courage, personal responsibility, and working with others to achieve a common goal.
