

# CUSHING ELEMENTARY is "TOTE-ALY" committed to helping our fellow TEXANS!!!!

Cushing Elementary will be sending much need items to the flood victims that are suffering from the devastation of Hurricane Harvey. The Dempsey Family, James and Paula, have volunteered their 48 foot trailer to haul these items to the affected areas this Friday. If you would like to contribute, the drop off station will be in our Elementary Library. If you are unable to get your items delivered by this Friday you will still have the opportunity to bring items next week as well. We will continue this drive until September 9<sup>th</sup>. Some of the items needed are towels, t-shirts, deodorant, shampoos, conditioners, feminine products for the women/girls, baby items, diapers, wipes, baby food, tooth brushes and toothpaste, can goods, dog food, Tylenol, Advil, band-aids, eye drops, lotion, contact solution, antacids, candy, snacks, antiseptic, flashlights, batteries, matches, charcoal, duct tape and bug spray. Any other items will gladly be appreciated!!!!

Thanks again for all your help!!!

CUSHING, TEXAS IS "TOTE-ALY" AWESOME!!!!
