Cushing ISD Automated Notification System

*Parents, this form is included in each child's packet. A separate form MUST be completed for EACH of your enrolled children in order to receive emergency notifications for the school year. **Please do not put more than one child on this form because we must sort them by graduation year**. Don't worry; if you have multiple children, you won't get multiple messages; the system takes that into account and only sends one message to each of the contact numbers or emails you have listed below.*

If your email, cell number or cell carrier has changed, you must send in a new form for each of your children if you wish to continue receiving automated messages from the school. If in doubt, fill it out.
