

Devin Durden Memorial Scholarship

This scholarship is awarded annually to a graduating student-athlete of Buford High School and Dade County High School. Candidates will be considered based on leadership, integrity, character, school spirit, and financial need.

Application Form

Devin Durden was a 2009 graduate of Buford High School. He started Buford High in the 9th grade after moving with his family to Buford in the summer of 2005. His kindergarten through 8th grade education was in the Dade County School System in Trenton, GA. A huge part of Devin's life was playing sports. He participated in baseball, basketball, and football through the Dade County Recreation Department, Dade Middle School, and Buford High School. His passion for playing tight end at Buford High School, led to an appointment at the United States Air Force Academy, where he also played tight end for the Air Force Falcons. Both Devin's parents agree, he lived more life in his short 21 years than most people live in a lifetime. Because of Devin's passion and outlook on life, this scholarship will be awarded annually to two student-athletes at Buford High School and one student-athlete at Dade County High School.
