Dear Mr. Walker,

As your asbestos coordinator, RainCrow Environmental has completed the 6-month periodic inspection. Please file this report with the other asbestos 6-month periodic inspection reports.

As a reminder, your annual notification letter should be posted on the school website or inserted in the employee/ student handbook.

For more information about AHERA regulations, and what the federal requirements are for the control of asbestos in Alabama schools, please visit the EPA website, and look for "The ABCs of Asbestos in Schools."
