**Teen Tech Camp is funded by the Memphis Chapter of the Society for Information Management (SIM).** The Camp provides hands-on computer technology learning opportunities for students who will be 13-15 years old by June 30, 2017.

Monday through Friday, participants will start the day exploring the latest in new technology (Vex Robots and Robotics Competition/3D Color Printing, Z Space Virtual Environment) with professionals in the field. On Saturday campers will present their work to family and friends followed by a recognition ceremony.

Catered lunch and snacks will be provided for the campers Monday through Friday.
