I understand and will abide by the Internet and Computer Network Use Agreement posted on the Donegal School District website. As the parent or guardian of the above student, I have read the Internet and Computer Network Use Agreement. I understand that this access is designed for educational purposes. I recognize it is impossible for Donegal School District to restrict access to all controversial materials and I will not hold the district responsible for materials acquired on the network. I understand that the District uses filtering software to decrease the accessibility to Internet sites considered to be of little educational value.

Further, I accept full responsibility for supervision if and when my child’s use is not in a school setting. I hereby give permission to issue an account for my child and certify that the information contained on this form is correct.
