 BID TABULATION SHEET
 ITB 17-003 ROOF TOP GAS PACK INSTALLATION DOUGLAS COUNTY HS
 SEPTEMBER 6, 2016

	GAR (Garrett Rega)
DESCRIPTION	COST
Douglas County High School - Remove two (2) existing roof top gas pack package units and install two (2) roof top package units with gas heaters (Daikin Model # MPS035FG4PC3YYYY-A). <u>(The new roof top air conditioners and adapter curbs will be provided by the DCSD).</u> Bid price shall include all charges for the removal of existing roof top units, and the installation of new units including material, transportation, crane services, labor and equipment required to deliver, unload, and install the roof top units. Installation will include all labor and materials required to install and make each unit operational, install curbs, structural support, relocate existing gas and electrical, demo and dispose of existing roof top units and roof top ductwork and tie in to existing spiral duct roof below. Installation of new units should comply with all manufacturer installation instructions. <u>DCSD WILL CONTRACT DIRECTLY WITH ROOF CONTRACTOR. HVAC CONTRACTOR WILL COORDINATE SCHEDULE FOR INSTALLATION.</u> All packing and shipping materials must be removed from the building and disposed of as part of the requirement. All existing equipment removed as part of this agreement shall be removed and disposed of by the contractor Refuse containers will not be provided by the school system. In addition, refuse containers owned or rented by the DCSD on the job site will not be available for use.	\$ 22,347.00
Pick up units at 9030 Highway 5, Douglasville, GA 30134 and deliver to Douglas County High School, 8705 Campbellton Street, Douglasville, GA 30134.	\$ 600.00
