

Driscoll Independent School District

Dr. Cynthia M. Garcia, Superintendent

P.O. Box 238 Driscoll, Texas 78351
(361)387-7349

Dear Parents/Guardians,

Driscoll Independent School District offers a superior education to all students who attend our school. We serve the students who live within our district boundaries as well as many who do not. These students choose to attend school in Driscoll because of our unique characteristics. Our top-notch faculty and staff, challenging curriculum, opportunities for individualized instruction, small class size, the student-centered atmosphere and transportation are just a few reasons we have so many students transfer to our schools.

We appreciate the opportunity to educate your child(ren), and we look forward to broadening his/her learning well into the future. Driscoll Independent School District is currently receiving transfer applications for the upcoming school year. Please complete the Non-Resident Student Request to Transfer into the District form attached along with the Student Transfer Agreement and return both to the school ASAP.

Should you have any questions or are in need of assistance, please contact the campus principal, Ms. Lynn Landenberger at (361) 387-7349 ext. 8106 or the campus secretary, Ms. Sandra Muniz, at ext. 8000.

Sincerely,

Cynthia M. Garcia, Ed.D.
Superintendent of Schools

The student's parent or guardian, _____ ("parent"), requests that the student be permitted to attend the District during the _____ school year and agrees to the following terms and conditions for that transfer:

1. This transfer is effective for the current school year only. District approval of this transfer creates no right or expectation that the student will be admitted as a transfer for any subsequent school year.
2. This transfer is approved for the named student only. District approval of this transfer creates no right or expectation that another student from the same family will be admitted as a transfer.
3. The student must maintain acceptable levels of attendance, academic achievement, and compliance with the Student Code of Conduct throughout the entire school year. Acceptable levels are defined as:
 - a. Attendance rate of at least 94 percent;

 - c. Compliance with the Student Code of Conduct that results in no offenses requiring removal to a disciplinary alternative education program (DAEP) or expulsion.
4. Parents must comply with and observe all District policies and reasonable District and campus procedures and requirements.
5. The Superintendent may revoke the transfer of, or place on a probationary status, a student who fails to maintain an acceptable level of attendance, academic achievement, or compliance with the Student Code of Conduct during a semester or who fails to pay tuition on time.
6. The Superintendent may revoke the transfer of, or place on a probationary status, a student whose parents do not comply with and observe all District policies and reasonable District and campus procedures and requirements.
7. If the student's approved transfer status is revoked, revocation ordinarily will be effective at the end of a semester; however, the Superintendent has discretion to revoke the transfer at the end of the grading period in which a standard for continued admission is violated. If approved transfer status is revoked for nonpayment of tuition, revocation will be effective immediately.
8. If the student's approved transfer status is revoked for any reason, the student will not be eligible for admission in the future under a power of attorney.
