

2017-2018

Dear Parents/Guardians,

East Union is committed to providing the best education possible for our students. One of the ways we can do this comes through the services that volunteers give to our school.

If you or someone you know wants to be of service to the school, please let us know. We can use parents, grandparents, friends, and neighbors in many and various capacities. We ask that anyone interested in volunteering complete this form and return it to the school. We will be in contact with you to set up assignments and times, once school begins.

Thank you for your interest. We look forward to working with you.

Sincerely,

Mr. Lance Ridgely
Superintendent
