

Internet Acceptable Use Policy Permission Form

Dear Parents and Students:

The Elba City School's Internet Acceptable Use Policy is designed to provide guidelines for using the Internet in the classrooms, school media center, and labs of your school this year. Please take the time to read this policy. If you have any questions about it, please be sure to contact your school's office. This policy must be read and signed by both the student and a parent/guardian, and then returned to your child's homeroom teacher. Please return the signed form as soon as possible, since you will not be given access to the Internet until you have agreed to this policy. Please note that if you violate the terms of this policy, you may lose privileges or receive punishment as defined in the student handbook. It is your responsibility to read and ask questions about this policy. Your teacher is planning and in-class discussion of this policy after you have had a chance to become familiar with it.

Please return this form to your teacher as soon as possible.

I acknowledge that I have read, understand, and agree to all terms as outlined in the Internet Acceptable Use Policy. I further understand that this agreement will be kept on file at the school for the academic year in which it was signed.

My child may use email and the Internet while at school according to the rules outlined.
