

I. Governing Principles

Mission

The Elmore County Public School System's mission is to provide relevant, engaging, positive learning environments where students are empowered to realize their self-worth through continuous academic, social, and emotional growth.

Vision

Elmore County Public School System strives to prepare students to be responsible and productive citizens in an ever-changing world.

Beliefs

- All students can learn.
- All students should have safe and disciplined schools, qualified teachers, committed support staff, challenging curricula, and effective school leaders.
- All students deserve a quality education that focuses on the whole child.
- All students should be accountable for their educational goals, success, and behavior.
- All students deserve a nurturing environment that promotes a feeling of self-worth.
- Education is a shared responsibility among home, school, and community.
- Educated citizens are vital to our society.
- Progress in education requires a willingness to change.

The Elmore County Board of Education does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups.
