- 4.1.2 Access Restrictions Authorized – The Superintendent or designee, principals, and facility administrators are authorized to regulate and restrict access to Board schools, buildings, and facilities in order to maintain appropriate security, minimize disruption and distraction within the learning environment, or to avoid a potential risk of harm to a student or employee. To that end, the Superintendent or designee, principals, and facility administrators are authorized to implement building-level requirements and procedures governing access to Board owned or controlled buildings, grounds, property, events, and activities by school and non-school personnel, including family members and relatives, vendors, attorneys, and other visitors, and to adopt “check-in” and “check-out” requirements and procedures for students and employees.

Adult sex offenders have a duty to comply with this policy, and it shall not be construed as imposing an affirmative duty of any kind on the school principal, his

The Board will implement and adhere to such accreditation policies, principles, standards, and procedures as may be established or required by the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (“SACS CASI”) accreditation division of AdvancED as a condition to receiving or maintaining accreditation.

#### **4.4 *Use of Board Property***

4.4.1 Equipment, Supplies, Materials, Vehicles – Equipment, supplies, materials, vehicles, and other movable or consumable property owned by or under lease to the Board may not be used by or made available to persons or entities for private or personal use, benefit, or consumption, or for any non-Board related use or purpose. Such property may not be removed from Board premises except as necessary to serve a school or Board-related function or purpose, and with the knowledge and approval of the appropriate supervisor, administrator, or the Superintendent.

4.4.2 Use of Board Facilities – Schools and other Board owned or controlled facilities may be made available for use by sanctioned or generally recognized school support organizations if the use of the facility will not disrupt school operations or be inconsistent with the purpose and mission of the school system, and if adequate advance provision is made for security, supervision, maintenance, damage prevention, post-event clean-up, liability insurance, and other risk management measures appropriate to the proposed use. Use of Board facilities for non-school organizations may be approved if the foregoing conditions are satisfied and a rental contract (or the equivalent thereof) that includes a reasonable fee or rental charge and other appropriate terms and conditions is approved by the Board.

4.4.3 Advertising – Board property will not be used for commercial advertising except upon such terms and conditions as may be expressly approved by the Board.

#### **4.5 *Naming Board Facilities***

The Board shall have the authority to name facilities in the school system, as it deems appropriate.

4.6.1 General Complaints (Grievances) – Subject to the limitations set forth below and elsewhere in this policy manual, any employee or member of the public may present to the Board a concern, complaint, grievance, or request for corrective action regarding any aspect of school system operations. Before requesting corrective action or relief from the Superintendent or the Board, persons with

such complaints, grievances, or requests should present them for resolution to the employee, supervisor, or administrator at the lowest administrative level who has the authority and ability to address the problem or to implement the requested action. The Superintendent is authorized to develop specific procedures that will provide for fair consideration and orderly review of complaints and grievances. Such procedures may not unreasonably burden or delay the presentation or processing of such matters, and will be subject to Board review, modification, and approval.

- 4.6.2 Limitations Regarding Availability and Application of General Complaint/Grievance Policy – The general complaint/grievance policy and any procedures adopted thereunder do not apply to specific complaint or grievance policies and procedures that are established by Board policy or law for application to special factual or legal circumstances (e.g., sexual harassment grievance procedures; review of personnel matters under the Students First Act; “due process” hearings provided under the Individuals with Disabilities Education Act). In such instances, the specific statutory, regulatory, or policy-based process is the applicable procedure. The general complaint/grievance procedures that are authorized under the terms of this policy may not be invoked for the purpose of challenging or seeking review or reconsideration of adverse personnel decisions that have received final Board approval. A grievance may be based on an alleged misapplication of Board policies, regulations, or procedures, but may not be used to challenge the Board’s exercise of its discretion to adopt, approve, modify, or repeal a policy, regulation, or procedure or on its failure to exercise such discretion (e.g., adoption of a school calendar, compensation policies, etc.).
- 4.6.3 Student Complaints and Grievances – Complaints, grievances, and requests for corrective action may be brought to the attention of the Board by or on behalf of students with respect to academic, athletic, extracurricular, or other non-disciplinary matters, issues, and concerns only after reasonable efforts to resolve the matter at the school and administrative levels have been exhausted. The Superintendent is authorized to develop specific procedures that will provide for fair consideration and orderly review of such complaints and grievances. Such procedures will not unreasonably burden or delay the presentation or processing of the complaint or grievance and will be subject to review and approval by the Board. Administrative judgments concerning academic or curricular matters or participation in extracurricular activities may be set aside by the Board only upon a showing that the action or decision in question is arbitrary and capricious, fundamentally unfair, or that it violates Board policy or the student’s legal rights.
- 4.6.4 Student Disciplinary Matters – The Board may consider appeals of student disciplinary decisions or actions in accordance with standards and procedures specified in the Code of Student Conduct.

## **4.7 Risk Management**

The Board may obtain such liability and other forms of insurance or enter into such risk management agreements, pools, cooperatives, and like arrangements, agreements, or undertakings as it deems necessary and appropriate to meet legal requirements or to protect the Board, its employees, or its property from risk of loss.

#### **4.8 *Emergency Closing of Schools***

4.8.1 Authority of Superintendent to Close Schools – The Superintendent is authorized to close schools if such action is warranted by weather conditions or other circumstances that pose a risk to the safety and welfare of students and employees, or that render meaningful instruction impossible (e.g., loss of power or other utility services).

4.8.2 Make-Up Dates – To the extent not provided for in the school calendar, any days lost by reasons of an emergency closing will be made up and a revised school calendar approved, if necessary, to reflect any extension or adjustment of the school year required by such action, unless approval to waive the days is obtained in accordance with state law, unless approval to waive the days is obtained in accordance with state law.

#### **4.9 *Internet Safety and Use of Technology***

4.9.1 Access to Technology Resources – The Board permits restricted and conditional access to and use of its technology resources, including but not limited to electronic devices, such as computers, the “Internet,” network storage areas (LAN and WAN), and electronic mail. Such access and use is restricted to employees, students, and other persons who are engaged in *bona fide* educational and administrative activities that serve and are consistent with identified educational objectives or authorized support functions, and who, by signing a “Technology Acceptable Use Agreement,” agree to abide by all Board policies, procedures, and regulations regarding technology use. The Acceptable Use Agreement will be developed by the Superintendent for approval by the Board.

4.9.2 Restriction or Loss of Technology Privileges – Persons who violate any Board policy, procedure, or regulation regarding technology use may be denied use of the Board’s technology resources and may be subject to additional disciplinary action.

4.9.3 Ownership of Technology Resources and Data – All technology resources, including network and Internet resources, e-mail systems, and computers or other electronic devices owned, leased, or maintained by the Board are the sole property of the Board. Board personnel may, at any time and without prior notice, access, search, examine, inspect, collect, or retrieve information of any kind from the Board’s technology resources, including computer or related equipment, files, e-mail, and data, to determine if a user is in violation of any of the Board’s policies, procedures, and regulations regarding access to and use of technology resources, for or in connection with any other matter or reason related to the safe and

efficient operation or administration of the school system, or for any other reason not prohibited by law. Users of school system technology resources have no personal right of privacy or confidentiality with respect to the use or content of such resources.

4.9.4 Adoption of Rules and Regulations – The Superintendent is authorized to develop for Board approval additional or more specific procedures and regulations regarding access to and use of its technology resources and to require adherence to such procedures and regulations through such means as the “Acceptable Use Agreement” and application of appropriate disciplinary policies and procedures. Such rules and regulations will address or provide:

- a. Measures to block or filter Internet access in compliance with the Children’s Internet Protection Act (CIPA) which includes but is not limited to pictures that are obscene, that constitute child pornography, or that are harmful to minors;
- b. The safety and security of minors when they are using electronic mail, chat rooms, and other forms of direct electronic communications;

- e. Restriction of minors’ access to harmful material;
- f. Educating minors about appropriate online behavior, including interacting with other individuals on social networking websites, chat rooms and cyberbullying awareness and response.

4.9.5 Limitation on Liability – The Board makes no warranties of any kind, either express or implied, that the functions or the services provided by or through the Board’s technology resources will be error-free or without defect. The Board will not be responsible for any damage users may suffer, including but not limited to loss of data or interruption of service.

[Reference: 47 U.S.C. §254(h) and (l)]

#### **4.10 Political Activity**

Board employees may participate in political activities to the full extent permitted by the United States Constitution and federal and state laws securing the right to engage in such activities, subject to the following restrictions:

- a. Employees may not appropriate Board property or resources for use in political campaigns, and may not engage in partisan political activities (including but not

limited to the distribution of campaign material or literature) during regular school or duty hours or at Board sponsored or sanctioned events, functions, or at activities at which the employee is on duty or assigned official responsibilities;

- b. Employees may not represent their political beliefs or positions on political matters to be those of the Board or other Board officials, or to falsely assert or imply that their political activities or positions are endorsed by or undertaken in the name of the Board or other Board officials;
- c. Candidates and representatives of candidates for political office may not invite or allow announced candidates for political office to address student groups except when such candidates are participating in a forum or like format that is designed to provide all candidates the opportunity to participate. Such forums may be conducted only for appropriate age groups, and with the advance approval of the school principal and the Superintendent; and
- d. Political signs may not be placed on schools or school board property. Campaign literature and other material may not be distributed on Board property during the regular school or work day, and may not be distributed at school or Board sponsored events or activities in a manner that impedes the normal and safe movement of pedestrian or vehicular traffic, that creates any other safety hazard or risk, or that disturbs or disrupts the function, activity, or event.
