# REDDING COLLEGIATE ACADEMY

REDDING COLLEGIATE  
ACADEMY

A tuition-free public charter school providing  
TK-12 personalized independent study programs  
empowering students to reach their personal  
best in academics and beyond.

Innovation and exploration are embedded into  
RCA's use of best instructional practices in a  
blended learning environment.

**530.224.4240**

[www.rca.eesd.net](http://www.rca.eesd.net)  
[facebook.com/reddingcollegiate](https://facebook.com/reddingcollegiate)

RCA's interactive and dynamic online learning options united with our onsite resources, providing the finest of several educational environments.

- Access to our Cyber Lounge
- Targeted Tutoring
- Academic Workshops and Labs

*"RCA has worked great with my child and helped her like school again."*

- RCA Parent

#### **RCA is an excellent choice for:**

- Students that like to set their own pace, master concepts quickly and conduct in-depth explorations in their areas of interest.
- Students who would like to begin taking college courses.
- Students who are self-directed learners.
- Students needing a personalized approach to mastering challenging concepts.
- Students and families wanting access to a variety of curriculum and instructional methods.
- Students who have been managing health issues and social issues. RCA's environment is an excellent choice for increasing one's focus on learning.
- Families who recognize the importance of communication and support for their student's education and character development.

#### **TK-8 and High School Program**

Our curriculum meets or exceeds state standards and our system for tracking progress provides students and families with immediate feedback on performance. We empower students to get the help they need to be successful and even move ahead at a faster pace.

#### **High School Students Receive:**

- Credentialed teachers that provide academic guidance, build motivation, daily oversight, and tutoring
- On-site labs and workshops
- Access to 12 AP (Advanced Placement) courses, A-G courses, Career Electives, Career Pathways courses, and Test Preparation Courses
- Concurrent Enrollment in College Courses
- A wide variety of electives
- Early graduation options
- Intervention curriculum to improve basic skills
- Personalized pacing of courses
- Rigorous and engaging curriculum with teachers you can rely on for support and assistance
- Clubs, activities, and access to vendors

*"We are happy to be a part of this great school!" - RCA Parent*

*"The staff has all been very helpful and pleasant." - RCA Parent*
