SUGGESTION: Extra packs of paper and packs of pencils may be stored in Mrs. B's classroom. If you run out during a school day, you will have some extra on campus.

Every supply listed is mandatory unless otherwise marked. Having **ALL** supplies **throughout** the school year is essential to ensure a successful learning experience. Purchasing "extra" and storing at home is recommended. In the past we have experienced students using or losing supplies and therefore not prepared for class, which could ultimately affect grades.

We look forward to the new school year . ☺
