

Enterprise School District

2018 Strategic Plan

MISSION

The mission of the Enterprise School District is to ensure that all students achieve academic success, develop physical and emotional well-being, and become productive and responsible citizens. This will be achieved by creating a collaborative educational culture that is positive, nurturing, and safe.

VISION

By 2022, through collaborative learning and effective leadership, Enterprise School District will be a regionally recognized, superior performing district that ensures all students will succeed in a global society.

GOALS

Maximize the academic success of ALL students.

Provide a well-rounded curriculum to ALL students.

Attract, develop, and retain high-quality and diverse teaching and support staff.

Ensure safe, highly functional facilities.

Increase parent and community support and involvement.

Increase total student enrollment.

EVERY CHILD — EVERY CLASSROOM — EVERY DAY
