## Join Our Team of Educators

We prepare students for experiences in continuing education or the work world with programs that put power behind their diploma.

No matter what their future, our students begin their 13<sup>th</sup> year, the first year beyond high school, ready for the real world.

## Instruction

The Escambia County Schools offer a comprehensive instructional program providing students with rigorous academic learning as well as numerous opportunities to develop talents in the arts, T.V. production, athletics, and physical education. We also offer an extensive career tech and culinary arts program.
