

**ESCAMBIA COUNTY BOARD OF EDUCATION
SUPPLEMENT ATTACHMENT GUIDELINES**

1. The athletic director may or may not be the head football coach.
2. The head football coach position is not eligible for additional District/LEA funded football coaching supplements.
3. All basic contracts will be issued for 187 days. Each employee receives 1/12 of the annual salary per month coinciding with employee contract. All supplements will be divided evenly over the 187 day contract.
4. The additional monthly supplements will be based on degree and length of service per the Escambia County Board of Education Salary Matrix Schedule.
5. Principals are required to submit the Athletic and Extracurricular Supplement Assignment Form to the Superintendent for final approval prior to supplements being paid to employees. The Athletic and Extracurricular Supplement Assignment Form must be signed by the Principal and Athletic Director prior to submission to the Superintendent. Upon approval, this supplement will be paid based on a 187 day contract and should the supplement recipient (coach, cheerleader sponsor, band director, assistant band director, or choral program director) resign before the end of the school term, the amount paid will be prorated on the number of days worked.
6. All supplements are only in effect for a period of one scholastic year.
