

Our Future Plans

Since 2013, Faith Lutheran has begun several renovation projects in efforts to bring students a quality education in a Christ-centered environment. Thanks to FLHS' faithful supporters and donors, the school has been able to continue refinishing and restoring each classroom, hallway, and office, along with bringing in new technology for each student.

Projects of 2013-2015:

- *New tiling in the hallways
- *Refinishing floors in Tower
- *School gym receiving new floor
- *All students working with iPads
- *Classrooms in Tower receiving new furniture and painted walls
- *Fresh paint & new décor added to the Admission's Office hallway

Goals for 2016:

- *Complete redesign to website
- *Additional flooring in hallways
- *Painting lockers (school colors)
- *Renovating classrooms
- *New displays for academic & athletic achievements
- *New student lounge
- *New science lab
- *Greenhouse in courtyard area

Faith Lutheran is thankful for their generous donors and supporters, along with those who make contributions to the school. If you would like to help in continuing these efforts of growing the school to reach more students for Christ, please contact **Chris Schoenleb** at schoenleb@faithlhs.org
