

ChromeBook Home Use Agreement

Sign and Return

The Fannin County School System was awarded a Connections for Classroom grant from the Governor's Office of Student Achievement. This grant along with SPLOST funds enables our school system to provide a Chromebook, a small laptop computer, for each student in grades 8-12. This contract details students' responsibilities for the care of the Chromebook that will be issued to them at the beginning of the 2018-2019 school year. Student accounts and Chromebook usage are monitored through our network content filter, "LanSchool" software, and "SysCloud" software. These programs provide filtering and monitoring of internet usage and Google Applications at all times, regardless of location.

- Chromebooks will be issued to students at the beginning of the school year. This contract must be signed and returned before a student will be issued a Chromebook.
- The Chromebook must be returned on the given due date or on the last day of attendance for the student.
- Students are required to have their Chromebooks with them each day at school. Students are responsible for keeping their Chromebooks and chargers in secure locations. Chromebooks and chargers should never be left unattended. Faculty members will return unattended Chromebooks and chargers to the media center. Violations of Fannin County Schools' Acceptable Use Policy, which is available on the Fannin County School System's webpage, may suspend the student's eligibility in the Chromebook 1:1 program. Suspensions will be made at the discretion of school administration.
- Parents/guardians/students are not authorized to attempt repairs themselves or to contract with any other individual or business for repair of the Chromebook. Damaged Chromebooks should be turned into the school's media center staff.
- Chromebooks must be kept in the school-provided carrying case that will be issued with the Chromebook.
- It is recommended that Chromebooks go home with students each evening for recharging unless other arrangements are made by the school administration.
- The student and parent/guardian will assume the risk of loss by theft, destruction, or damage. If, during the loan period, the Chromebook is damaged or is returned with any accessories missing, the Fannin County School System may charge the student the repair or replacement cost. By signing the loan agreement, the parent/guardian agrees to be

responsible for the loss/damage to the Chromebook, or the cost of repair for such damage, while in the student's possession. Cost for repairs/replacement are as follows:

- **Screen:** \$50.00
- **Keyboard:** \$50.00
- **Charger:** \$35.00
- **Sleeve:** \$10.00
- **Prorated Replacement Fees:** from \$75.00-\$175.00, depending on the age of the Chromebook.
- Students are not to remove, deface, or alter the Fannin County School System's identifying stickers, labels, or barcodes in any way, shape, or form, nor shall the student change identification within the Chromebook, such as computer name.
- Upon request, the student agrees to deliver the Chromebook to Fannin County School staff for technical inspection.
- The Chromebook should not be left for extended times in places where it will be subject to extreme temperatures or humidity (i.e.: cars or outside on cold or hot days or areas of high humidity).
- Students will return their school issued Chromebook at the end of the school year or when they transfer to another school.

If parent and student agree to abide by the Chromebook home use agreement, please sign and return the next page. If you decide to opt out, please contact a school administrator.
