Dear Parent/Guardian:

Your child's school:

1. Will make meal modifications prescribed by a licensed physician, advanced practice nurse with prescriptive authority or physician assistant to accommodate a disability.
2. **Will not** make meal modifications prescribed by a medical authority due to a food allergy/intolerance or other medical condition that does not rise to the level of a disability.
3. **Will not** make substitutions for fluid cow's milk due to a food allergy/intolerance or for other reasons.

Only the types of meal modifications explained in the first paragraph of this letter are applicable to your child's school.

To ensure the requested meal modifications can be made on the first day of school, return the completed medical statement by August 10th to Kelly Wager or Donna Aragon at PO Box 218 Fowler, Co 80139.

If you are submitting a request for meal modification at a time other than the beginning of the school year, it will take approximately 3 school days from the time the request is received until it can be implemented.

**IMPORTANT:** For a student who does not have a recognized disability, the only fluid cow's milk substitutions allowed by USDA are: (1) lactose-free fluid cow's milk (1% or skim) or (2) a non-dairy beverage with a nutrient profile equivalent to fluid cow's milk as specified in federal regulations.

If you have questions or need assistance, please call Kelly Wager (Elementary) or Donna Aragon (Secondary) at 719-263-4364 and 719-263-4279.

Sincerely,  
Fowler R4J
