Dear Parent/ Guardian,

Your child's school/site:

1. Will make meal modifications prescribed by a licensed physician, advanced practice nurse with prescriptive authority or physician assistant to accommodate a disability.
2. Will not make substitutions for dietary preferences, religious preferences or cultural preferences.

Note: Meal modifications will only be accommodated for one of the reasons listed above. No other meal modifications will be accommodated.

The *Medical Statement for Meal Modification* is attached to this letter. On the front of each form, there are further instructions and information about the meal modifications that can be requested under the federal regulations. Please read this information carefully before completing the form.

To ensure safe meal modifications can be made for your child, return the completed medical statement by August 10th to Kelly Wager (Elementary) or Donna Aragon (JH-High School) at PO Box 218 Fowler, Co 81039.

If you are submitting a request for meal modification at a time other than the beginning of the school year, it will take approximately 3 school days from the time the request is received until it can be implemented.

IMPORTANT: The only fluid cow's milk substitutions allowed by the USDA are: (1) Lactose-free fluid cow's milk (1% or skim) or (2) a non-dairy beverage with a nutrient profile equivalent to fluid cow's milk as specified in USDA regulation 7 CFR 210.10 (d)(3), unless another substitution is noted on the Medical Statement for Meal Modification.

If you have any questions or need assistance, please contact Kelly Wager at 719-263-4364 or Kelly.wager@fowler.k12.co.us

Sincerely,

Fowler R4J
