Adult User: Terms and Conditions for Technology and Internet Use in the Gadsden School Public School District

Internet access is now available to all employees in the Gadsden County Public School. **Adult users are not to use this technology for personal reasons or business.** We believe that the Internet offers vast, diverse and unique resources to our employees. We believe that providing this access to the Internet will help employees develop Information Skills that they will need in the workplace to be more productive. With access, comes the availability of materials that may not be considered acceptable in the work environment. We, the Gadsden School District, believe that the valuable information far outweighs the possibility that users may find materials that are not consistent with our educational purposes. End users of the Internet must adhere to strict guidelines and thereby, the Gadsden School Public District establishes the following guidelines for all Internet users within our organization:
