Instructions:

- Register or log in to <https://www.paec.org/fldata/> or access easily PAEC on the district's web page. Principals will mark attendance and completion of the task for the evaluation. Principals, keep sign-in roster for documentation.
- Access DLOPI on the District's Web site www.gcps.k12.fl.us; log in using your gcps email account & password; departmentalized elementary schools, middle and high school principals will suggest what class period will be targeted;
- Complete data input for the 1st and 3rd nine weeks grading period;
- Analyze the strengths & weaknesses in the area of parent participation in your class;
- Make written Parental Involvement recommendations to your principal for inclusion in the coming school year's School Improvement Plan.
