Video Approval Request

Media materials acquired from any source (e.g. purchase, rental, loan, donation) shall be evaluated and recommended for use with students by appropriate staff of the school. Evaluations shall be based on personal review, professional judgment, or from information in professional library, media, or education selection aids or journals, if available. Careful consideration of materials which might be objectionable to the various mores of the school community will be made in the light of literary merit and the contribution to be made toward the education of the student.
