

**WELLNESS PROGRAM**

**2.95\*+**

**I. Philosophy**

The Gadsden County School Board believes that students who begin each day as healthy individuals will increase health awareness, promote positive lifestyles, decrease the risks of disease and enhance the quality of life for children, staff and district level personnel. The Board also believes that a healthy staff can serve as role models for healthy lifestyles. This policy encourages a holistic approach to staff and student wellness that is sensitive to individual and community needs.

The Gadsden County School Board is committed to creating school environments that promote and protect the overall well-being of all students and staff. The guidelines listed below encourage a comprehensive wellness approach that is sensitive to both individual and community needs

**II. Local School Wellness Policy Leadership**

The Gadsden County School Board will assemble a representative wellness committee that will meet bi-annually (July and January) to monitor and set goals for the development and implementation of its local school wellness policy. As required by K-20 Education Code 1003.23 the policy shall be reviewed annually and an updated copy shall be sent to the Florida Department of Agriculture and Consumer Services when a change or revision is made.

1. The Food Service Management Team shall ensure overall compliance with the local school wellness policy.
2. Parents, students, teachers of physical education, school health professionals, the school board, school administrators and the general public shall be permitted to participate in the development, implementation, and periodic review and update of the local school wellness policy.

School level

Each school, within The Gadsden County School District, will establish an ongoing Healthy School Team that will meet bi-annually to ensure compliance

and to facilitate the implementation of The Gadsden County School Board's wellness policy.

1. The school principal and local school staff shall have the responsibility to comply with federal and state regulations as they relate to The Gadsden County School Board's wellness policy.
2. In each school, the Cafeteria Manager will be responsible for establishing the Healthy School Team that will ensure compliance with the policy.
3. The Healthy School Team should include, but not be limited to, the following stakeholders: parents, students, school food service program representatives, school administrators, school health professionals, physical education teachers and the general public.
4. The Healthy School Team is responsible for:
  - Ensuring compliance with federal and state regulations for competitive food and beverage items sold on the school campus (7 CFR 210.11 and FAC 5P-1.003);
  - Maintaining a school calendar identifying the dates when exempted competitive food fundraisers will occur in accordance with the frequency specified in paragraph (c) of FAC 5P-1.003; and
  - Reporting its school's compliance of the aforementioned regulations to the Food Service Management Team the person responsible for ensuring overall compliance with The Gadsden County School Board wellness policy.

The Gadsden County School Board will review and consider evidence-based strategies and techniques in establishing goals for nutrition promotion and education, physical activity and other school based activities that promote student wellness to include, at a minimum, a review of Smarter Lunchroom tools and techniques.

### **III. Nutrition Goals and Guidelines**

Nutrition promotion can positively influence lifelong eating behaviors by creating food environments that encourage healthy choices and encourage participation in the school meal programs.

1. The school environment, including the cafeteria and classroom, shall provide clear and consistent messages that promote and reinforce healthy eating.

2. Students will have access to useful nutrition information. Posters, worksheets and brochures will be available in classrooms and throughout each school's campus.
3. Schools will provide parents with healthy snack ideas, lists of foods for healthy celebrations and opportunities for physical activity before and after school.
4. Organizations operating concessions at school functions will promote healthy food choices at a lower profit margin to encourage student selection.

## **Nutrition**

The Gadsden County Food Service Department will continue to emphasize meals that meet nutrition standards established by the USDA, conform to good menu planning principals and feature a variety of healthy choices that are tasty, attractive and of excellent quality. Academic performance and quality of life issues are affected by the choices and availability of good foods in our schools. Healthy foods support student physical growth, brain development, resistance to disease, emotional stability and ability to learn.

1. Students will understand how food reaches the table and the implications that has for their health and future. Staff shall integrate hands-on experiences such as working in a garden, cooking activities and enrichment activities such as farmers market tours and visits to community gardens with the core curriculum. Students will receive homework supporting these activities to ensure comprehension.
2. Nutrition education will be incorporated within the larger school community. The nutrition education program shall work with the school meal program to develop school gardens and use the cafeteria as a learning lab. Students will harvest vegetables from the school garden and work with the cafeteria staff to create wholesome snacks.
3. Nutrition education will teach skills that are behavior-focused. Students will be taught about calorie balance, energy expenditure and how to read and interpret nutrition facts labels.
4. The staff responsible for nutrition education will be adequately prepared and participate regularly in professional development activities to effectively deliver an accurate nutrition education program as planned. Preparation and professional development activities will provide basic knowledge of nutrition combined with skill practice in program-specific

activities and instructional techniques and strategies designed to promote healthy eating habits.

5. Nutrition guidelines that continue to use food preparation techniques to provide school meals which are lower in saturated fats, sodium, sugar and served in appropriate portion sizes consistent with USDA standards shall be established for all foods offered by the district's Food Services Department.
6. A la carte offerings to students shall be nutritious foods selected with input from students, parents and staff.
7. Meal times will be scheduled at appropriate times within the academic time frame of the school site allowing for a minimum of ten (10) minutes to eat breakfast and twenty (20) minutes to eat lunch, after being seated.
8. Provide and encourage participation in the school breakfast program.
9. Provide nutritional staff training for food service and school site staff as well as student's families, through pamphlets, school newsletters and web sites.
10. Classroom activities shall be provided to all students that include hands-on applications of good nutrition practices that promote health and reduce obesity.

#### **IV. Physical Activity**

The School Board of Gadsden County shall ensure that physical activity is an essential element of each school's instructional program. The program shall provide the opportunity for all students to develop the skills, knowledge and attitudes necessary to participate in a lifetime of physical activity.

Provide a physical education program that includes the development of positive attitudes toward wellness and physical activity, safety guidelines, responsible behavior in physical activity settings, appreciation for a variety of physical activities, and understanding of the relationship between physical activity and wellness.

1. All students in grades K-5 shall receive 150 minutes per week of instructionally relevant physical education. For middle school physical education in grades 6-8, all students shall receive a minimum of one semester of physical education in each of the three years. In grades 9-12, students receive a minimum of one credit of physical education in senior high school as required. One semester must be personal fitness while the second semester may be any physical education course offered by The

School Board of Gadsden County with the approved state course codes. (Sunshine State Standards)

2. All elementary school students will have at least 20 minutes of daily recess. Each school will provide space, equipment and an environment conducive to safe and enjoyable play.
3. Students will have the opportunity to be involved in physical activity through physical education programs, before and after school activities or other activity programs. Students will be encouraged to participate in community-offered fitness and athletic programs.
4. Staff will be encouraged to participate in 150 minutes of moderate-intensity aerobic activity (e.g., brisk walking, jogging, swimming) every week.
5. Staff will be informed of the opportunity to participate in physical activity in afterschool programs and community events.
6. Regular classroom teachers will be encouraged to provide short physical activity breaks between lessons or classes, as appropriate.

#### **V. Other School-Based Activities**

The School Board of Gadsden County will integrate wellness activities across the entire school setting. These initiatives will include nutrition, physical activity and other wellness components so that all efforts work towards the same set of goals and objectives used to promote student well-being, optimal development and strong educational outcomes.

##### General Guidelines

1. The School Board of Gadsden County shall consider the components of the Centers for Disease Control's Whole School, Whole Community, Whole Child (WSCC) model in establishing other school-based activities that promote wellness.
2. The goals outlined by the wellness policy will be considered in planning all school-based activities (such as school events, field trips, dances, etc.).
3. Afterschool programs will encourage healthy snacking and physical activity.
4. The School Board of Gadsden County shall actively develop and support the engagement of students, families and staff in community health-enhancing activities and events at the school or throughout the community.
5. Each school within The School Board of Gadsden County shall be in compliance with drug, alcohol and tobacco-free policies.

## Eating Environment

1. Students will be provided an adequate amount of time to consume their meal after receiving their food from the line.
2. Each school will provide nutritious, fresh, locally grown food that reflects Florida's bountiful harvest.
3. Convenient access to facilities for hand washing and oral hygiene will be available during meal periods.

## Healthier US School Challenge

All schools will be encouraged to join the United States Department of Agriculture (USDA) Team Nutrition program and submit an application to be recognized as a Healthier US School Challenge: Smarter Lunchrooms (HUSSC: SL) school.

## Recycling

Each school shall maximize the reduction of waste by recycling, reusing, composting and purchasing recycled products.

## Employee Wellness

1. The School Board of Gadsden County wellness committee will have a staff wellness subcommittee that focuses on staff wellness issues, identify and distribute wellness resources and performs other functions that support staff wellness.
2. All staff will be provided with opportunities to participate in physical activities and healthy eating programs that are accessible and free or low-cost.

## Health Services

A coordinated program of accessible health services shall be provided to students and staff and shall include, but not be limited to, violence prevention, school safety, communicable disease prevention, health screening, including body mass index, community health referrals, immunizations, parenting skills and first aid/CPR training.

## Behavior Management

1. The School Board of Gadsden County is committed to prohibiting the use of food as a reward, unless incorporated into an activity that promotes positive nutrition messages (such as a guest chef or field trip to a farm).

2. Teachers and other school personnel will not deny or require physical activity as a means of punishment.

## **VI. Guidelines for All Foods and Beverages Available During the School Day**

The School Board of Gadsden County shall operate and provide food service in accordance with USDA's National School Lunch Program (NSLP) standards and applicable laws and regulations of the state of Florida. The guidelines for reimbursable school meals shall not be less restrictive than regulations and guidance issued by USDA.

### General Guidelines

1. All reimbursable meals will meet nutrition standards mandated by USDA, as well as any additional state nutrition standards that go beyond USDA requirements.
2. School meals will include a variety of nutrient-dense foods, including whole grains and fiber-rich fruits and vegetables, while accommodating special dietary needs.
3. To the maximum extent possible, all schools in The School Board of Gadsden County will participate in available federal school meal programs, including the SBP, NSLP, ASSP, FFVP, and SFSP.
4. Free, portable water will be made available to all children during each meal service.

### Competitive Foods

1. All foods and beverages sold on the school campus to students, outside of reimbursable school meals, are considered "competitive foods," and must comply with the nutrition standards for competitive food as defined and required in 7 CFR 210.11.
  - a. *School campus means, for the purpose of competitive food standards implementation, all areas of the property under the jurisdiction of the school that are accessible to students during the school day.*
  - b. *School day means, for the purpose of competitive food standards implementation, the period from the midnight before to 30 minutes after the end of the official school day.*
2. Competitive foods include items sold a la carte in the cafeteria, from vending machines, school stores, snack bars and for in-school fundraisers.
3. Unless being sold by The School Board of Gadsden County food service program, it is impermissible for any competitive food item sold to students

during the school day to consist of ready-to-eat combination foods of meat or meat alternate and grain products, as defined in 7 CFR 210.10 and 210.11. (FAC 5P-1.003)

4. To be allowable, all competitive food items sold to students must meet general nutrition requirements and nutrient standards.

General nutrition requirements for competitive foods:

1. Be a grain product that contains 50 percent or more whole grains by weight or have a whole grain as the first ingredient; or
2. Have as the first ingredient one of the non-grain major food groups: fruits, vegetables, dairy or protein foods (meat, beans, poultry, seafood, eggs, nuts, seeds, etc.); or
3. Be a combination food that contains 1/2 cup of fruit and/or vegetable.
4. If water is the first ingredient, the second ingredient must be one of the above.

**Nutrient standards for competitive foods:**

For elementary and middle school students: foods and beverages must be caffeine-free with the exception of trace amounts of naturally occurring caffeine substances. Food and beverages for high school students may contain caffeine.

**Standards for food and beverages available during the school day that are not sold to students:**

1. The school will provide parents and teachers a list of ideas for healthy celebrations/parties, and fundraising activities.
2. Class parties or celebrations shall be held after the lunch period and only foods that meet the Smart Snacks in School nutrition standards can be served.
3. Schools will limit celebrations that involve food during the school day to no more than one party per class per month.

**Fundraising**

1. Fundraising efforts will be supportive of healthy eating by complying with all applicable regulations and nutrition standards for competitive foods while also emphasizing the sale of nonfood items.
2. No fundraisers that include the sale of food items will occur until thirty (30) minutes after the conclusion of the last designated meal service period.
3. The school board is permitted to grant a special exemption from the standards for competitive foods as specified above for the purpose of conducting infrequent school-sponsored fundraisers, not to exceed the following maximum number of school days per school campus each school year:

<b>School Type</b>	<b>Maximum Number of School Days to Conduct Exempted Fundraisers</b>
Elementary Schools	5 days
Middle School/Junior High Schools	10 days
Senior High Schools	15 days
Combination Schools	10 days

- Each school's Healthy School Team will maintain a school calendar identifying the dates when exempted competitive food fundraisers will occur. (FAC 5P-1.003)

**VII. Policy for Food and Beverage Marketing**

School-based marketing will be consistent with policies for nutrition education and health promotion. As such, the following guidelines apply:

1. Schools will only be allowed to market and advertise those foods and beverages that meet or exceed USDA's Smart Snacks in School nutrition standards.
2. Marketing activities that promote healthful behaviors are encouraged. Examples may include: vending machine covers promoting water, pricing structures that promote healthy options in a la carte lines or vending machines, sales of fruit for fundraisers and coupons for discounted gym memberships.
3. The School Board of Gadsden County nutrition department's replacement and purchasing decisions will reflect the marketing guidelines mentioned above.

### **VIII. Evaluation and Measurement of the Implementation of the Wellness Policy**

The School Board of Gadsden County wellness committee will update and make modifications to the wellness policy based on the results of the annual review and triennial assessments and/or as local priorities change, community needs change, wellness goals are met, new health information and technology emerges and new federal or state guidance or standards are issued. The wellness policy will be assessed as indicated at least every three years following the triennial assessment.

#### Triennial Progress Assessments

The School Board of Gadsden County will conduct an assessment of the wellness policy to measure wellness policy compliance at least once every three years. This assessment will measure the implementation of the wellness policy, and include:

1. The extent to which The School Board of Gadsden County is in compliance with the local school wellness policy; and
2. A description of the progress made in attaining the goals of the local school wellness policy.

### **IX. Informing the Public**

The School Board of Gadsden County will ensure that the wellness policy and most recent triennial assessment are available to the public at all times. The School Board of Gadsden County will also actively notify households on an annual basis about any updates made to the wellness policy and the availability of the triennial assessment results, as well as provide information to the community about the school nutrition environment.

1. The School Board of Gadsden County will ensure the most updated version of the wellness policy and triennial assessments are always available on the school website for the public to view.
2. The School Board of Gadsden County will present wellness policy updates, as applicable, during meetings with the Parent Teacher Association/Organization, school board, district superintendent, health and wellness committee and other interested groups or stakeholders.
3. Wellness updates will be provided to students, parents and staff, as applicable, in the form of handouts, The School Board of Gadsden County website, articles and each school's newsletter, to ensure that the community is informed and that public input is encouraged.

#### **X. Community Involvement**

The School Board of Gadsden County is committed to being responsive to community input, which begins with awareness of the wellness policy. The School Board of Gadsden County will actively communicate ways in which parents, students, representatives of the school food authority, teachers of physical education, school health professionals, the school board, school administrators and the general public can participate in the development, implementation and annual review of the local school wellness policy through a variety of means, including:

1. The School Board of Gadsden County will consider student needs in planning for a healthy nutrition environment. Students will be asked for input and feedback through the use of surveys and attention will be given to their comments.
2. The School Board of Gadsden County will use electronic mechanisms, such as email or displaying notices on The School Board of Gadsden County website, as well as non-electronic mechanisms, such as newsletters, presentations to parents or sending information home to parents, to ensure that all families are actively notified of any updates to the wellness policy, as well as how to get involved and support the policy.
3. At the final public school board meeting of each year, the local school wellness policy will be discussed and all stakeholders will be asked to provide feedback on the policy. All comments and recommendations will be reviewed and considered.

#### **XI. The Wellness Program shall meet the requirements of the National School Lunch Act and the Child Nutrition Act of 1966.**
