## Give the Gift of Literacy

Imagine your life if you could not:

- Read to your child
- Read a prescription
- Understand directions
- Read a newspaper
- Fill out a job application
- Navigate street signs

Literacy is the key to self-sufficiency, and YOU can make a difference. Become a literacy tutor and help other adults improve their reading, writing, or English skills.

Volunteers must be 18 or older with a high school diploma or the equivalent. Following the five-session training, you will be matched with an individual learner in your area. Tutors and learners meet in a public place once a week for 1-2 hours.

Sign up today to change a life!
