Dear Parents, Students and Staff,

I would like to inform each of you of the process and methods Glen Rose ISD will disseminate information regarding possible school closings.

School closings or late start determinations will occur by 6:00 a.m. before morning bus routes begin. Glen Rose ISD will utilize School Messenger to notify students, parents and staff of possible closings or delays. School Messenger is a notification company that will send a pre-recorded message to all phone numbers in the student and staff directory within 10 minutes. Please make sure the numbers that you listed on the student information sheet are current.

To ensure everyone is informed, the following television and radio stations will be contacted for publication:

Television

Channel 4 KDFW
Channel 5 KXAS
Channel 8 WFAA
Channel 11 KTVT

Radio

WBAP - 820 AM
KTFW - 92.1 FM

Information will also be posted on the Glen Rose ISD website www.grisd.net. The website will be continuously updated to keep parents and community members informed of school closing status. However, in the event of a power outage, the Glen Rose ISD website server will lose power and the website will not be accessible.

The media will only be notified in the event there will be changes to the school schedule such as a cancellation, late start or early release. Decisions to alter the school schedule will be made based on the ability of Glen Rose ISD to safely transport students to and from school. Any decisions made will be based on the most accurate information at hand. As always, our top priority is the safety of our students.

Thanks for your support and cooperation!

Sincerely,

G. Wayne Rotan
Superintendent
Glen Rose ISD
