GEORGIA DRIVER'S EDUCATION GRANT

## SCHOLARSHIP PROGRAM

### TRAINING

30 hours in the classroom  
6 hours behind the wheel

### HOW IT WORKS

- Teen drivers and their parents or guardians apply by completing an online application by visiting [www.georgiadriver.ga.gov](http://www.georgiadriver.ga.gov).
- Online applications are due by the 5th day of each month.
- Students and parents are notified by email by the 20th of each month if the application has been awarded or denied.
- Students have 30 days from the date of the scholarship award to choose an authorized driver's education provider and present their scholarship redemption code to enroll in a 30/6 driver's education course. Students have 180 days from the date of the scholarship award to complete the 30/6 course.

### WHO IS ELIGIBLE TO APPLY?

- Georgia students between the ages of 15 and 17 years old.
- First priority is given to students who are children or dependents of a Georgia public safety professional or military personnel killed in the line of duty.
- Second priority is given to students who demonstrate a financial based need.
- Third priority is given to all students who do not qualify under the first and second priority.
- Scholarships are awarded evenly by congressional districts and are electronically selected at random in each priority level if the number of applicants exceeds the number of scholarships available.
