Dear Pre-K Parents,

This is certainly an exciting time for your family as your child prepares to enter Pre-K. Georgia's Pre-K Program, funded by the Georgia Lottery, is a nationally-recognized program that will provide a solid foundation for learning and academic success.

The Georgia Lottery also recently celebrated a special milestone, raising over \$1 billion for education in a single year for the first time ever.

We understand what our success means to you and the many students of Georgia who benefit from lottery-funded Pre-K and HOPE Scholarships. We remain committed to our mission, which is to maximize revenues for these important educational programs.

Best wishes on this new chapter. May the school year be full of enriching educational experiences for your little one.

All my best,

Debbie D. Alford
