2010-2011

Friday, April 22, 2011	Holiday (Good Friday) for students and staff
Thursday, April 21, 2011	Professional Learning Day (State)* for teachers and a day off for students

* Since Professional Learning Days that are state-required must be made up, the use of Thursday, April 21 as a student instructional day would result in adding a Professional Learning Day to the end of the year on May 25, 2011.

2011-2012	
Date	Originally scheduled as
Monday, January 16, 2012	Holiday (Martin Luther King, Jr. Day)for students and staff
Tuesday, February 7, 2012	Professional Learning Day (Local) for teachers and a day off for students; also Presidential Primary Election
Monday, February 20, 2012	Holiday (Presidents' Day) for students and staff
Tuesday, February 21, 2012	Professional Learning Day (Local) for teachers and a day off for students
Monday, March 12, 2012	Professional Learning Day (State)* for teachers and a day off for students

* Since Professional Learning Days that are state-required must be made up, the use of Monday, March 12 as a student instructional day would result in adding a Professional Learning Day to the end of the year on May 23, 2012.

2012-2013	
Date	Originally scheduled as
Monday, January 21, 2013	Holiday (Martin Luther King, Jr. Day)for students and staff
Monday, February 18, 2013	Holiday (Presidents' Day) for students and staff
Tuesday, February 19, 2013	Holiday for students and staff
Wednesday, February 20, 2013	Professional Learning Day (Local) for teachers and a day off for students
Monday, March 11, 2013	Professional Learning Day (State)* for teachers and a day off for students

* Since Professional Learning Days that are state-required must be made up, the use of Monday, March 11 as a student instructional day would result in changing the Monday, April 1, 2013 holiday (the day after Easter) for students and staff to a Professional Learning Day (State). This is more desirable in the 2012-2013 school year than adding a Professional Learning Day to the end of the year because if added to the end of the year, it would fall on Tuesday, May 28, the day after Memorial Day.

Disclaimer: The schedule for make-up days in the above calendars is subject to change if necessary based on when school days are missed and the number of school days missed. In all the above calendars, after use of the above days, the system will consider adding days to the end of the year and then shortening Spring Break.
