Re: Teacher In-Service Industry Tours

Thursday, July 29, 2010 has been designated as the day local industries will invite teachers into the workplace for tours and to learn about what education level and skills employers are seeking in today's workforce. If you have any teachers or counselors who are interested in this free in-service opportunity, please have them contact me at 638-4111 or email me at kburrell@greenecop.com.

Thanks so much!
