

Greenville Kindergarten Registration Greenville Elementary School 2020/2021

Parents of children who will be entering Kindergarten in the fall are asked to review and follow these procedures:

No child will be allowed to register without both proof of age and a current* immunization record brought with the registration packet.

February 25 – March 12 - Parents will be able to pick up the Kindergarten Registration packets at the office of Greenville Elementary School.

March 18 – 19 - Parents are asked to return the completed Kindergarten Registration packets, **birth certificate (or other acceptable proof of birth), immunization record and proof of residency (lease/mortgage and current utility bill)** to Greenville Elementary between the hours of 5:00 pm and 7:00 pm. At this time parents will be asked to for screening April 14-17.

April 14-17 - During the April formal registration, children will proceed through several assessment stations, including hearing and speech as well as skill development.

No child will be allowed to register without both proof of age and a current* immunization record brought with the registration packet. Registration Packets are to be brought to the school by a **PARENT** or **LEGAL GUARDIAN** with photo ID and a custody order if in effect.

Typically, kindergarten students are five (5) years old when they begin school. Parents must bring child's birth certificate or other acceptable proof of birthdate and immunization records.

Pennsylvania law requires that each child entering school must have the following immunizations:

- Four doses each of tetanus and diphtheria. One dose must be given on or after the child's 4th birthday. If all 4 doses were given prior to the child's 4th birthday – the child must get a 5th dose of tetanus and diphtheria.*
- Three doses each of polio and hepatitis B, one dose of polio must be after the 4th birthday.
- Two doses each of mumps and measles **
- One dose of rubella (German measles)**
- Two doses of varicella (Chicken Pox) or a documented history of the disease from the child's physician.
*Usually given as DTP or DTaP or DT or Td
**Usually given as MMR
