(6) The prospective lower tier participant further agrees by submitting this form that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

(7) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the System for Award Management (SAM) database.

(8) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

(9) Except for transactions authorized under paragraph (5) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment. Attachment C - Reciprocal Limitations Act

A. General Requirement. Pennsylvania has reacted to the in-state preference laws and practices of other states by reenacting the *Reciprocal Limitations Act* through the Commonwealth Procurement Code. Under this Act, Pennsylvania responds in a like manner against those states that apply preferences or prohibitions by giving similar preferences to Pennsylvania resident bidders and bidders offering supplies manufactured in Pennsylvania.

B. Requirements.

1. Product Preference. In all purchases of supplies exceeding \$10,000, preference is to be given to those bidders offering supplies produced, manufactured, mined, grown, or performed in this Commonwealth as against those bidders offering supplies produced, manufactured, mined, grown, or performed in any state that gives or requires a preference to goods, supplies, equipment, materials, or printing produced, manufactured, mined, grown, or performed in that state. The amount of the preferences is equal to the amount of the preference applied by the other state for that particular supply. [Lists of States Applying A Bidding Preference](#)

2. Bidder Preference. In the award of contracts for the procurement of supplies and construction exceeding \$10,000, preference shall be given to Pennsylvania resident bidders against a nonresident bidder from any state that gives or requires a preference to bidders from that state. The amount of preference shall be equal to the amount of the preference applied by the state of the nonresident bidder. A resident bidder is a person, partnership or corporation, or other business entity authorized to transact business in this Commonwealth and having a bona fide establishment for transacting business within this Commonwealth at which it was transacting business on the day when bids for the public contract were first solicited. [Lists of States Applying A Bidding Preference](#)

3. Prohibition. For construction and for all purchases of supplies, the purchasing agency shall not specify, use, or purchase any supplies which are produced, manufactured, mined, grown, or performed in any state that prohibits the specification for, use or purchase of such items in or on its public buildings or other works, when such items are not produced, manufactured, mined, grown, or performed in such state. [Lists of States Applying A Bidding Preference](#)

Bread Bid 2020-2021

C. Department of General Services Responsibilities.

1. List of Discriminating States. DGS is required to prepare a list of the states which apply a preference or prohibition and the amount of the preference. The list has been published, amended, and republished in the *Pennsylvania Bulletin*. The list also appears at the DGS website.

2. Invitation for Bids. The list of discriminating states and the amount of the preference must appear in all IFBs for supplies and construction where the amount exceeds \$10,000.

D. Bid Requirements.

1. Lists. IFBs for supplies and construction, where the amount exceeds \$10,000, must include the list of states which have laws prohibiting the use of out-of-state supplies or bidders.

2. State of Manufacture. Bidders must complete the State of Manufacture chart in IFBs by listing the name of the manufacturer and the state or foreign country of manufacture for each item. If the item is produced in the United States, the bidder must identify the state. Failure to complete the chart may result in the rejection of the bid.

3. Bidder Residency.

a. Determining Nonresidency. In determining whether a bidder is a nonresident bidder from a discriminating state, the address label on the IFB may be used unless the bidder corrects that address in its bid.

b. Determining Residency. In order to claim the preference for Pennsylvania resident bidders, bidders must have a bona fide establishment for transacting business within Pennsylvania at which it was transacting business on the date when bids were first solicited. The bidder must also be authorized to transact business in Pennsylvania. Therefore, if the bidder is a corporation, it must be incorporated in Pennsylvania or have a certificate of authority to do business in Pennsylvania.

E. Rejection of Bid – Prohibited Item or Bidder. If the State of Manufacture chart discloses that the item will be manufactured in a state which prohibits the purchase of such an item which isn't manufactured in such state, then the bid must be rejected.

F. Calculation of Preference. In calculating the preference, the dollar amount of the bid submitted by a Pennsylvania bidder shall be reduced by the percentage preference which would be given to a nonresident bidder by its state of residency. Similarly, the amount of a bid offering Pennsylvania supplies shall be reduced by the percentage preference which would be given to another bidder by the state where the supplies are produced, manufactured, mined, or grown.

G. Procedures.

1. Tab bids by dollar amount.

2. Start with low responsive bid and determine if:

- a. There is a bidder or product prohibition.
- b. The supplies offered are manufactured in a discriminating state.
- c. The supplies are offered by a nonresident from a discriminating state.

3. If there is a product prohibition involving the low bid, reject the low bid.

Bread Bid 2020-2021

4. If the low bidder is offering supplies produced, manufactured, mined, or grown in a discriminating state, and the next low bidder is offering supplies produced, manufactured, mined, or grown in Pennsylvania, reduce the next low bidder's bid by the percentage preference which would be given to the low bidder by the state where the supplies are produced, manufactured, mined, or grown.
5. If the low bidder is a resident bidder of a discriminating state, and the next low bidder is a Pennsylvania resident bidder, reduce the Pennsylvania resident bidder's bid by the percentage preference which would be given to the nonresident bidder by its state of residency.

CONTRACT SOLICITATION AND AWARD PROTEST PROCEDURE POLICY

Manufacturers or distributors who disagree or are otherwise aggrieved by the competitive procurement process for contract solicitation and award have the right by federal regulation to enter into a formal protest with Greenville Area School District.

PROCEDURE:

Federal regulations are the primary authority for rules related to competitive procurement. Those regulations that MAY be applicable to competitive procurements of Greenville Area School District are found in OMB Circular A-87, A-122, 2 CFR 200 and 7 CFR 210, 220, 3016, 3019. Applicability of the federal regulation depends upon the product or services being procured and the federal program in which it will be used. In addition, Pennsylvania School Code contains additional state regulations related to competitive procurement that may also be applicable.

Protests may be by any of the following:

- 1) By a party who did not submit a bid or proposal;
- 2) By a party who has responded to an invitation for bids (IFB), a request for proposal (RFP) or a request for qualification (RFQ);
- 3) By a prospective contractor who is aggrieved in connection with the solicitation or award of a contract

Those parties who did not submit a bid or proposal must file for protest prior to the advertised opening date of the IFB, RFP, or RFQ. Protests received after that time will not be reviewed and considered. Such protests will be dismissed as untimely.

Those parties who responded to an IFB, RFP, or RFQ or who are aggrieved in connection with the solicitation or award of a contract must file for protest within seven (7) days of the protesting party knowing of the facts giving rise to the protest. No protest filed after that protest window or more than seven (7) days after the date of notice of contract award will be reviewed and considered. Untimely protests will be dismissed.

The date of filing will be the date the protest is received by June 3, 2020. Protests to contract solicitations and awards must be in writing and submitted to the contact person listed on the RFP for which a protest is filed.

Protests must be filed utilizing the form titled, "Notice of Protest." Appropriate documentation or relevant information may be included as attachments to the form when completed and returned. Issues not raised in the original written protest are deemed to be waived and may not be raised on appeal. All documentation is forwarded to the Greenville Area School District for review and consideration within five (5) days of receipt.

If the contract has been awarded, the successful contractor will be made aware of the protest within five (5) days of receipt. If the protest is received before the contract is awarded and substantial issues are raised by the protest, all bidders and offers who appear to have a substantial and reasonable prospect of winning the award shall be notified of the protest and the reasons for the protest. They may, in turn, file their own position to the protest within five (5) days after the receipt of the Notice of Protest.

Bread Bid 2020-2021

Action on the contract solicitation or award shall be stayed until the protest is resolved except in cases where state or federal deadlines prevail. In those cases, the contract award will be issued, but performance by the awarded contractor will be suspended until the protest is resolved. If there is a continued delay in resolving the protest, Greenville Area School District reserves the right to resume its activities related to the procurement under protest if such action is found to be in the best interest of the membership affected by the protest.

Greenville Area School District has up to fifteen (15) days to review the protest and any documentation or relevant information. This period will also be used for additional research as needed. Additional documents or information deemed necessary to resolve the protest may be requested during this period. The Greenville Area School District reserves the right to schedule a hearing to review the protest with the protesting party and other affected parties. If additional time is required to resolve the protest, the Greenville Area School District will notify the protesting party of such action. At no time will any protest remain without determination in excess of sixty (60) days from the receipt of the original Notice of Protest.

If the contract solicitation or award is found to be contrary to law, the Greenville Area School District reserves the right to cancel the solicitation, change the solicitation to comply with law, reject all bids or proposal or those parts of the bids or proposals which were affected by the violation, or change/cancel the contract award to comply with the law.

If such determination is made after execution of the contract and the contractor has not acted fraudulently or in bad faith, 1) the contract may be ratified and affirmed if doing so is in the best interest of Greenville Area School District, 2) the contract may be modified to comply with the law with the consent of all parties, or 3) the contract may be cancelled in accordance with the termination, default, and settlement clause in the contract.

If such determination is made after execution of the contract and the contractor has acted fraudulently or in bad faith, the contract may be 1) declared void; 2) modified to comply with the law and with the consent of all parties; or 3) ratified and affirmed if doing so is in the best interest of Greenville Area School District. A copy of the protest determination will be sent to the protesting party and any other person determined to be affected by the decision within five (5) days of the determination being made.
